RE: CC Docket Nos. 96-45 and 97-21

Dear Sir or Madame:

This appeal is in regards to 1) the attached letter from the Schools and Libraries Division, 2) the attached appeal letter from the Okemah Public Library to the Schools and Libraries Division, and 3) the attached U.S. Postal Service Certified Mail Receipt dated January 16, 2001.

My name is Bonnie Crawford and I am the director of the Okemah Public Library (Entity #154433). I received a postcard from the Schools and Libraries Division (SLD) stating that my funding request for Form 471 application #235133 had been denied because I had not mailed the Block 6 certification and attachments before the closing of the filing window on January 18, 2001. I wrote an appeal letter with a copy of my Certified Mail Receipt showing that I had mailed the Block 6 certification and attachments on January 16, 2001-two days prior to the deadline.

I received a response to my appeal letter from SLD dated August 21, 2001. The letter is a generic response that does not address my problem. My library consultant at the Oklahoma Department of Libraries, Desiree Webber, has spoken with George McDonald, President of SLD, regarding the letter. Mr. McDonald agreed that it is a generic letter and does not match my situation. I am not asking for an extension of the deadline-as stated in the response from SLD-I met the deadline. Mr. McDonald said the problem is that attachments have not been matched up with the Form 471s. In the meantime, my appeal is still being denied-which leads me to write to you.

I believe that my request in Form 471 #235133 should be funded because I did meet the filing/postmark deadline.

Thank you for considering this appeal. I look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads "Bonnie Crawford".
